

2018 Albacore Season

To our valued Albacore fishermen,

Seawater Seafood Company will be actively buying Albacore in

Newport, Oregon. Our vessel prices are very competitive

in the market.

We take great pride in our reputation and ensure timely

wire payments to all vessel's.

At Seawater Seafood Company, we take great care in

fulfilling our commitments for fast, efficient offloads to give

our fishermen quick turnarounds.

We are available for offloads every day, 7 days a week.

Off loaders are available to all vessels. If you find yourself

in need of parts, supplies and/or provisions email us and we

can help arrange transportation and/or supply pickup with

one of our friendly, local vendors.

We look forward to enjoying a great season with you!
