

# 2019 Albacore Season

To our valued Albacore fishermen,

Seawater Seafood Company will be actively buying Albacore in Newport, Oregon. Our prices are extremely competitive in the Blast/Brine market, in terms of x-vessel prices. As many of our fishermen know from their offload experience, wire payments are prompt.

At Seawater Seafood Company, we take pride in fulfilling our commitments for fast, efficient offloads to give our fishermen quick turnarounds.

We are available for offloads 24 hours a day, 7 days a week.

Off loaders are available to all vessels. If you find yourself in need of parts, supplies and or provisions email us and we can help arrange transportation and or supply pickup with one of our friendly, local vendors.

We look forward to enjoying a great season with you!
