

# 2017 Albacore Season

**To our valued Albacore fisherman,**

Seawater Seafood Company will be actively buying Albacore at our dock location in Newport. Our Prices are extremely competitive in the Blast/Brine market in terms of x-vessel prices. As many of our fisherman know from their offload experience, wire payments are prompt.

At Seawater Seafood Company, we take pride in fulfilling our commitments for fast and efficient offloads to give our fishermen quick turnarounds.

We are available for offloads 24 hours a day, 7 days a week if needed. Off loaders are available to all vessels. If you find yourself in need of parts, supplies and/or provisions email us and we can help arrange transportation and/or supply pickup with one of our friendly, local vendors.

**We look forward to enjoying a great season with you!**
